PLASTIC A2L REFRIGERANT SAFETY CAPS

A2L COMPATIBLE

THE ULTIMATE IN REFRIGERANT SAFETY

Sentry® Plastic A2L Refrigerant Safety Caps provide a secure, code-compliant solution for protecting outdoor refrigerant access ports. Designed for use with 1/4" or 5/16" access ports, these silver caps with A2L identifier high-vis red stripe are compatible with a wide range of refrigerants.

The quad-pawl, glueless design enables secure hand tightening and ensures tamper resistance in accordance with IRC® M1411.9 and IMC® 1101.10 codes. Constructed from rugged, UV-resistant nylon, each set includes a universal locking key compatible with most major manufacturers.
